## **BULLETIN NR. 4**

Dear Druhny and Druhowie,

The Polish Scouting Association COVID-19 Response Management Team (RMT) has decided to extend the suspension of all face to face scouting activities until at least Labour Day (September 7) , 2020.

This decision was made on the recommendation of the Chief Commissioners of the Polish Girl Scout Organization and the Polish Boy Scouts Organization and following consultation by them with District Commissioners in all provinces in which PSA operates.

We recognize and applaud the dedication demonstrated in the past several months by leaders at all levels to carry on programs and activities virtually during the pandemic. Your creativity and resourcefulness are the mark of true scouts! We hope circumstances will permit everyone to plan for the resumption of a new scouting year in September with more traditional meetings, trips and treks. The next update from the RMT will be provided in August.

Czuwaj!
